10am - 4pm

Garces Trading Co.

2929 Arch St B, Philadelphia, PA

The Sommelier Judgment of PA Wines brings together top wine professionals to evaluate and promote Pennsylvania-grown dry wines through a blind tasting.

Focused exclusively on wines made from 100% Pennsylvania-grown fruit, the event highlights the quality, craftsmanship, and unique terroir of Pennsylvania wines while elevating awareness of the state's growing wine industry.

By fostering dialogue among respected sommeliers, buyers, writers, and educators, the initiative helps create new opportunities for Pennsylvania wines in restaurants, retail, collectors' cellars, and broader wine conversations..
