

# HOW TO PLAN A PA VINEYARD PICNIC

*October is Pennsylvania Wine Month! And more copy here...*

1

## Plan the Location & Gather Friends.

Find the perfect winery at [pennsylvaniawine.com](http://pennsylvaniawine.com). Choosing the right winery sets the stage for your picnic. Look for wineries that offer picnic areas or allow picnicking in the vines. Consider the ambiance, views, and the types of wines they produce to ensure a delightful pairing with your picnic.

2

## Prepare the Essentials.

Gather all the necessary supplies for your picnic. This includes a picnic basket or cooler, wine glasses, a corkscrew, napkins, plates, utensils, a blanket or tablecloth, and any decorations or ambiance-enhancing items you wish to bring along.

3

## Pack a PA-Inspired Picnic.

Plan a gourmet picnic menu that complements the wines you'll be tasting. Choose artisanal cheeses, charcuterie, fresh bread or crackers, gourmet salads, fruits, and desserts that enhance the flavors of the wines.

4

## Pick the Perfect PA Wine.

Pick out the perfect PA wines from the host winery to enjoy alongside your picnic.

5

## Cheers to PA Wines!

Find a scenic spot overlooking the vineyard or within the vines. Set up your picnic spread, pour yourself a glass of PA Wine, and savor the moment. Take in the vineyard views, indulge in your gourmet fare, and appreciate the unique experience of dining amidst the beauty and serenity of a winery setting.
